Yes, I've always been flexible. I think it comes from early on when, as a kid, you tumble around and do gymnastics. Later on, you want to keep that flexibility for when a guy wants to do you in different positions, you can accommodate him. I love trying new positions and I've been in some you wouldn't believe. But a lot of times, I use my flexibility just for myself. Who wants to get themselves off in the same way all the time? I like to do me doggie, do me mish, do me standing up or on my head. Just do me. I like all kinds of guys. As long as they are hung, I'll do 'em. I am selective so when I'm with a guy I like, I won't sleep with him on the first date, but I will feel him up. I rub his crotch and get him hard, just to feel how big and hard he gets. If he doesn't get hard or big enough, I probably won't see him again!

Ray

Hey girl, have you always been so flexible?

I brought a few toys with me to this photo shoot. I can't wait to where I can actually use them. I promise to give you a really good show.

I'd much rather have your cock inside me than this plastic, but this will have to do for now. Do you like seeing it deep in my tight little ass?

Sting Ray

I have them for my pussy, clit and ass. I especially like the new ones with the curly tip at the end. And then there's the pocket rocket. Wow!

THINK ALL FAMOUS BLACK BOOTY IS THE SAME?
WE THINK NOT. SOME MORE MATURE BOOTY HAS
SAT ON DIFFERENT SEATS THAN YOU AND ME!

Celebrity Booty

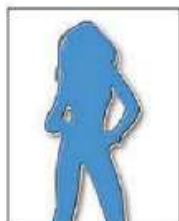

EARTHA KITT – As TV Batman's feline nemesis in the late Sixties, Eartha brought a classiness to her roles and that viewers purr more than growl. Her sultry voice and skin tight outfit made slinking around the tube a pubescent teen boy's delight. Fifteen years earlier, after quitting work in a factory, she was singing and dancing her way across Europe and the States. Eartha has been a Hollywood icon for years and can still shake that purrrfect booty.

WHITNEY HOUSTON – Grammy-Award singer Whitney's tumultuous career and personal life have led her down different roads. Her volatile marriage with Bobby Brown; drug bust in Japan, alleged addiction to some nasty drugs. But, hey, back in the day she was a fine, fine, but still very dangerous booty.

TONI BRAXTON – Toni's religious upbringing set the stage for her meteoric success. As a youngster, she would sneak out to watch Soul Train where she probably picked up her sexy moves and attitude. Now a Vegas veteran, she sings and swings that fabuloso diva booty with panache and style.

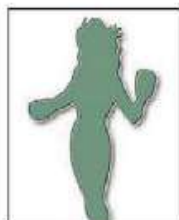

IMAN – Super-model Iman hails from Somalia, is married to super-rock star David Bowie, and has her own line of super-successful cosmetics. Having worked hard her entire life, this lady is now fighting for all of us to create a better world. You have to admit that seems like model booty behavior.

JOSEPHINE BAKER – One of the first true black celebrity superstars. Josephine set the stage and the world on fire back in the roaring twenties. Famous for her skimpy costumes and erotically sexy dances, she was called the Black Venus and Black Pearl. Admirers sent her fabulously expensive gifts and 1500 marriage proposals for this flapper booty.

LA TOYA JACKSON – As the outcast sister of one of the most famous and notorious entertainment families, the Jacksons, LaToya has had it easier than some and more difficult than others of her brood. Looking more like Michael than even her old self, she has had almost as much restructuring that we deem hers, the surgically plastic booty.

ROBIN GIVENS – Most infamous for her marriage to then-at-the-prime-of-his-career Mike Tyson, Robin's life has seen its ups – successful films and television shows – and downs – getting divorced from Tyson on Valentine's Day. It seems like the only thing we can give her is the boomerang booty nod.

JAYNE KENNEDY – Not famous for very much before her Playboy appearance in 1981, Jayne was a true beauty with a self-confidence evident in her pictures. She went on to co-host segments on The NFL Today and roamed the Hollywood community for a couple decades more. A truly sophisticated booty.

GRACE JONES – Oddly attractive and dangerous, Grace stared her rise to stardom in Conan the Barbarian with the famous Arnold S. Later she played a villainous Bond Girl in A View to a Kill. With more movies under her belt she paraded large in Europe and the States. Even today, she is one androgynous booty.

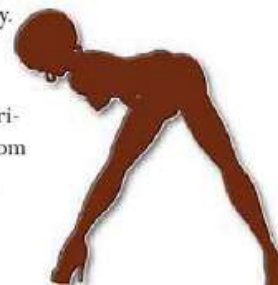

TINA TURNER – As one of the world's most popular singer and performer, life was not always that rewarding for Tina. Her early successes were marred by an abusive relationship with then-husband Ike Turner. Today, her stage act is still one of the most highly energetic and frenetic in all of show business. She is all legs, hips and shimmy booty.

NICHELE NICHOLS – We don't know her as Nichelle, but we all know her as Lieutenant Uhura, Communications Officer on the Starship Enterprise. Her twenty-year mission was to shine in many Star Trek episodes and movie ever made. Beneath that short smock and black tights is a loyal space booty.

PAM GRIER – The peace generation never saw a woman like kick-ass actress Pam Grier. She epitomized the strong African-American woman who could love you up and beat you down. Her pubic hair was the first to appear in Playboy. From her Seventies films like Coffy and Foxy Brown to her Nineties' Jackie Brown and Mars Attacks, she really kicks booty.

YO! peep these milfs!

This month's question:

Ever Have Any Good Water Sex?

Juana:

Oh, my God! I love water sex! And, it's so funny you're asking me this question today. You know what happened to me last Saturday? I was out on another one of my mountain hikes. I like to go solo for these marathon efforts, and they're not about fucking. They're more about me getting in touch with my spiritual side. So, anyway, I had hiked halfway up Blue Mountain, and I slipped off to one of my favorite spots: it's a pretty-

unknown, hot water spring about the size of a big driveway.

So, I was going through my typical routine, which involves stripping naked and hopping in with my big, rubber dildo in one hand. I was delighting in the sun and water...and, of course, the pulsations of my pussy as I hammered my twat with this massive, black dildo dong. When I opened my eyes, I saw the cutest college boy you ever did see.

He was staring at me; his mouth

was hanging open. I said, "Come to Mama boy...her pussy needs you."

The initially-shy lad stripped to his birthday suit and hopped in. Of course, a twenty-one-year old guy's got no patience, and he immediately had his cock in my pussy and was thrusting out-of-control. Naturally, he only lasted for about thirty seconds! But, you know why it was the best water sex ever? Because thirty seconds later, he was hard again and, once again, thrusting out-of-control as the hot water tick-

because of my big tits. They'd say things like, "Can we?" they asked.

"There's June and her flotation devices!" Or, "June, you'll never need a life preserver with those tits." Ha! Well, I do love swimming for a few reasons: first, swimming is just extremely sensual...and, second, because, I admit it, I do love showing off my ass and big tits. I'll usually wear a thong up my ass and a top that just barely covers my nipples.

So, one summer I was headed-up to Montreal to do some featured dancing. And, I was about ten miles from the club when I discovered a clear-water lake. I

I responded by groping around under water and grabbing dicks. Before I knew it, dicks were poking at my thighs and sliding in and out of my pussy and hands. Those five frat boys were in a frenzy, and I tilted my head back as their insatiable cocks kept thrusting at me. So, I did arrive to the club a little late. And, I was walking with a gap between my legs. But, I had some very happy guys throwing money on the stage as I showed them what they just finished savoring.

Kitty Johnson:

I've always loved water, and I'm not going to lie to you: part of why I love water is that it gives me a chance to wear a little bikini...and, I love wearing skimpy things in public! Actually, if I had it my way, I'd love to just walk around naked at the shopping mall! But, yes, sexy water stories...

There was a time when I was eighteen, and I was at horseback riding camp for the summer. Well, it wasn't camp exactly...it was more like a type of retreat. Anyway, I noticed one very handsome stable man the first day I got there. His name was Jake, and he was a little bit older than I, and he looked sort

led my asshole. That time he last four minutes before he shot his sperm up me. He was hard again a minute later, and the third time he managed to fuck me for ten minutes. He was hard again two minutes later, and that time...well, you get the idea!

June Summers:

That question sort of makes me laugh because whenever I've been in the pool, guys have teased me

jumped in the cool water. I was swimming around underwater. When I came to the surface, I saw five guys standing by the water's edge.

"It's June Summers," they said. "We were going to the club to see you!"

"C'mon in and see me now," I said.

Before you could say, "five horny frat boys with erections," they were

Ever Have Any Good Water Sex?

of like a young Ed Norton.

Well, one day in the stable I overheard him talking to one of the horses. Yea, weird I know...but, he was talking about how he was going skinny dipping in the nearby Chestnut Lake that night. Well, you can guess what I did. I showed up there first, took off everything, and swam into the lake. I floated on my back and fingered my pussy. When I heard him get in the water, I just kept fingering myself. In a minute, his finger replaced mine, and he dove underwater and was licking my asshole! The feeling of his tongue and the water was too much to bear, and my cum gushed through the lake!

We then stood up in the more shallow end, and I bent over so he could fuck me from behind. As he fucked, I splashed water back at him and yelled, "C'mon stable boy! Fuck me! Fuck me!"

Niki Wylde:

Okay, here we go. I was at a ski resort, and I had just broken up with my boyfriend earlier that day on the slopes. So, it was about three o'clock in the morning, and I couldn't sleep...I was so upset. So, I bundled up and went to the outdoor hot tub. I did what any young woman would do. Well, any young woman who doesn't have a negative body image...I got naked and hopped in the hot tub. Now, it was early in the morning, and I wasn't expecting anyone else to show up. And, I'm going to confess: I did something very naughty.

You know how the hot tubs have the jets that shoot out the hot water. Well, I put my ass over one of them, and I let the piping-hot water tickle my asshole and pussy. And, of course, I also started gently rubbing my clit. And, of course, I also started moaning. I really lost myself in ecstasy. When I looked up, my boyfriend was standing at the tub's edge, jacking his wang furiously.

"Get in here and fuck me," I said.

He obliged. And, oh my God, was that ever some

good fucking! That was some crackling-hot makeup sex. I positioned myself so the hot jet fired up my ass as his hot cock fired up my pussy hole. I swear...I don't know what my temperature was, but I think the thermometer would have broken if you tried to take the temperature of my pussy that night! Anyway, we fucked until the sun came up. The following morning, we broke-up again...and, that night we fucked our brains out in the hot tub again!

Shayne Roberts:

This happened a few years back. I was single, and it was the summertime, so I went off to the beach in search of some man meat. Now, you guys know I'm not a girl who has a hard time getting laid. But, what I wanted was more than just dick. I wanted adventure. My first night there, I figured that I'd go for a midnight swim.

I put on a tight pink bikini. I knew that it was revealing a prominent, pussy camel-toe. And, my pussy was just so swollen and horny. I planned to go masturbate in the ocean. To that end, I brought along an inflatable raft, so I could lie back in the ocean and diddle myself properly.

Everything was going as planned, and the waves rhythmically rocked me as I had my first orgasm. Then, suddenly, I was upended by a boogie boarder. In an instant, my body was tangled with a young stud who was having a moonlight boogie board ride. Before I knew it, I was on the raft with my legs up in the air as the handsome stud pumped his young cock in my hungry pussy hole. It was glorious being carried by the waves as this young man fucked the hell out of me. My moans drifted off into the dark distance as another orgasm rocked my body.

And, we very nearly got lost at sea, but that's another story. ●

CARNAL COMMENTARY BY JEAN

the firefighters & the milf

I'm in my forties now, and I agree that I need a man: a good man to be by my side and to service my pussy constantly. I know there's a time for politeness and so forth, but I'm not here to lie to you. I'm a woman, and I've got needs, and I've got a pussy that gets wet and is always horny. But, romance hasn't come easy for me. Some days it seems like all the good ones are taken. And, some days it just seems like I was born under an unlucky star which dictates that I'm destined for a solitary life.

That's how I sort of came to my temporary resolution. For now...all I really want is some great, screaming sex. If there's to be no Mr. Right in my future...at least my hungry woman hole will get satisfied regularly. My last husband...the one I gave myself to for ten years...well, he's gone now, and he's not coming back. And, I'm just a little damn sick and tired of my purple dildo. Sure, it gets the job done...but, I want some authentic man meat.

Then there's my mother. "Why you not find good Asian man?" she's always asking me. I tell her, "Mom, I'm an equal opportunity woman." What I really mean is that I'll give the cock of any nationality a chance to satisfy my cunt and soul. Why limit yourself to just one ethnic group? But, my damn mother just won't leave me alone. Why should it break her heart that I'm not in a longterm relationship? It seems if anyone's upset, it should be me. But, like I said, I'm not really upset. I just want to get laid. Those are the facts of life.

But, then my mother started nagging at me again this last Wednesday while we ate our chow mein in her dank kitchen. Oh, God, the general morbidity. Two lonely women whose lives have both gone wrong. And, my mother repeatedly insisting that I go to some Asian singles dance. "To give love a chance," she kept repeating.

So, to shut her up, I went to the Asian singles dance last night. And, good Lord am I ever glad that I did. Now, I'm not trying to brag, but men do consider me to be a Milf, and I do conceptualize myself as a sexy Milf. Thus, what I'm wearing underneath my clothes is extremely important to me. Frequently, I like to skip the whole bra and panties. I enjoy having my pussy, asshole and nipples rubbing against my clothes. But, to prepare for the dance, I put on some frilly, red panties with a matching bra that just simmered with a rampant sexuality. Oh, my pussy gets a little damp just thinking about those panties!

Then I put on a black skirt and a nice blouse. And, I was about to head out the door when I realized that my impetuous pussy better be silenced before embarking on this cock adventure. So, I sat down at the kitchen table, hiked my skirt up, pulled my red panties to the side, and inserted my purple dildo right up my love hole. I diddled my clit and-

I decided to sit down at a corner table and sort of survey the scene. Hell, I was the woman here. If these guys wanted to explore my succulent twat, they could approach me. An hour later...and no one had made a move. That's when I saw a group of four young men enter. And, they weren't Asian. Interesting. Two were black, and two were white, and they

"Those are friends from my acting class," he said.

"Why don't you tell me, straight-up, what's going on here," I said, leaning forward and licking my luscious lips.

"You're a beautiful Asian Milf," Leroy said. "And, that's why we're here. The four of us simply love Asian Milfs."

thrust the pseudo-pecker in the routine that had been all too familiar for me lately. But, it always worked, and soon my pussy was cumming all over the place, and I let my head fall back, as I moaned at the ceiling.

Okay, I was ready to go now! I arrived at the dance hall, and it was such a temperate summer night, I felt like my pussy's possibilities were endless. I entered the hall, and I saw Asian singles everywhere. And, a few of them were quite dashing. The hall had a disco ball, which I thought was a little tacky, but what the hell! Why get hung up on such a detail? I was surprised to feel my pussy get really wet. My red panties might be dripping soon! What I was really in the mood for, suddenly, was a good, old fashioned gang bang! But, would these guys be up for such a risqué event?

appeared to be in their early twenties. They noticed me, and I saw them whispering to each other. Twenty minutes later, the four of them sat at a table right next to mine. They were stealing little glances at me as they continued their whispers.

"What's going on with you young men?" I asked.

One of the black men came over and sat across from me. He looked like a young Denzel Washington, and my red panties just got a little damper!

"I'm Leroy," he said. "And, we were just admiring your beauty."

"My, my," I said. "You're a rather brash and direct lad."

"I'm an actor," he said. "So confidence is important."

His eyes twinkled. I noticed that his friends were listening to us.

"And who's with you?" I asked.

"How would the four of you like to fuck me until my eyes roll into the back of my skull?" I asked.

"I know just the place," Leroy said, standing up.

The other three young men also stood, and I followed them through the crowd of Asian singles to the back of the dance hall. One of Leroy's white friends, Tommy, a tall and skinny guy, opened a door. We all entered. It lead into a store room.

"Are we allowed back here?" I asked.

"Nobody's paying attention," Tommy said.

"Who are you two?" I asked the remaining friends.

"I'm Blair," the white guy said.

"I'm Terrel," the black guy said.

"Okay, Leroy, Tommy Blair, and Terrel. It's time to fuck an Asian Milf."

I grabbed Leroy and pressed my

the firefighters & the milf

lips against his. I suddenly felt hands everywhere groping my ass and tits. Oh, those red panties were really soaked now! I dropped to my knees overcome with passion.

"Give me cock," I yelled. "Cocks in my mouth. Now!"

Just as suddenly, I had four, long rods poking at my face: two chocolate and two vanilla! I started sucking wildly.

"I've got an idea," Leroy said. "We're supposed to be doing acting exercises this weekend. How about we do one right now?"

I stood up and spread myself across a table.

"Oh, I can't breathe," I screamed. "This building's on

tion," Blair said. "I'll start."

Blair's head dove between my legs, and the little bastard had a real cunnilingus expertise. That tongue was darting all around my little clitty and my legs were starting to quiver a bit. Terrell squatted over my face.

"Let me give her the oxygen tube," he said, inserting his thick, dark snake into my mouth. Mmmm it tasted great! I sucked that big pole as if my life depended on it. He started groaning.

"I think we can save her boys!" he yelled. "The oxygen's working!"

"Your oxygen tank's empty," Leroy said. "Step back. I've got another one."

fire. I'm an Asian Milf who lives above a Chinese laundry...and, the laundry's on fire. I'm going to die here. The smoke!"

"Don't fear," Leroy yelled. "Four firefighters are on the scene!"

The young men went into a pantomime routine in which they wielded make-believe axes to bust into the building. Tommy pretended to be spraying a fire hose, and the whole thing was comical as his pants were around his ankles and his big, limp dick was shaking around as he hopped about. Terrell pretended to break down a door, and he threw me over his shoulder and set me on another table.

"She's safe now," he said. "But unconscious."

"We'll all have to give her mouth-to-pussy resuscita-

Leroy then jammed his salty cock into my mouth hole and started thrusting it into my throat.

"Oh, yea. She's coming to," he said.

Tommy pushed Blair's mouth out of my pussy.

"In order to revive this Milf-in-distress," he said, "it'll be necessary for some cock-to-pussy resuscitation!"

And, just like that the skinny bastard jammed his fuck stick in my love hole and was pumping furiously like an earnest immigrant at a New York City gas station.

"I'm going to need all the team in on this rescue," Tommy said, stepping back.

Terrell came around and jammed his immense tool into my cunt.

"Ooooooooooooooh!" I yelled.

"We've got life signs team," Terrell screamed.

"I'm fucking cumming," I screamed, as delightful, orgasmic sensations shook the entirety of my body.

"Keep fucking her then," Tommy hollered.

Terrel was bucking my pussy furiously.

"Give me oxygen tanks in each hand," I said.

Suddenly, I felt a cock in each hand and one entered my mouth again. This was the position I adored being in. I pumped with each hand. I felt a little droplet of cum slide into my left hand.

Tommy yelled, "I spot a little bit of fire on her face. I'm going to shoot my hose at it."

And, I felt his cock start pulsating. He aimed it at my mouth and coated my lower face with his copious ejacu-

every crevice of my body. Somebody's thumb was going up my asshole now!

"I'm your Asian fuck Milf," I screamed. "Satisfy my holes."

The young men went to work with a renewed passion. They all started really groaning about at the same time. I kept jerking the cocks and grinding my pussy.

"We better just make sure that this Milf is completely extinguished," Leroy said.

The four young men all stepped back from me. I laid on my back on the table with my legs spread. The men all started wanking their cocks furiously.

"Make sure you spray your fire hoses thoroughly,"

late. Leroy pushed Terrel to the side. He flipped me over to my belly, walked up between my legs, and set his hands on my ass.

"Fuck me you firefighter stud," I said. "It's your reward for saving me."

Leroy gently entered my pussy. And, then he absolutely rammed ever inch of his love stick straight up my cunt. I think that huge cock bumped against my internal organs.

"Holy fucking shit," I screamed. "Your cock is like a skyscraper!"

That young stud proceeded to fuck me like a super hero...all the while slapping my ass...as dicks went into my mouth, and I simultaneously jerked cocks. My nipples were being tweaked and hands were exploring

Tommy said, as his cock started shaking.

Tommy aimed it right at my face and his rocket blasted its white fuel all over my chin.

Leroy yelled, "I'm cumming."

And, he sprayed a massive load on my tits. Terrel then aimed right at my twat, and he covered my Milf pussy with his love juices. Blair smiled and shot his load all over my feet.

"Can't take any chances," he said. "Now, let's put her in the ambulance."

He threw me over his shoulder and carried me to the back of the storeroom. Our sexual theater was actually just getting started for the evening! But, the rest will be a cock-inspiring tale for another occasion.

Oh, June Summers!

Before going any further I've got something to say: I love your fucking Milf tits! There, I got it out of the way. But, a woman like Miami, Florida native June Summers is enough to make any man impulsive. And, how she knows it!

TEASE US WITH *THOSE TITS!*

June first got a kick out of teasing the boys when she was in high school. Shortly after, just before turning twenty-one, she began her career as an exotic dancer, and the naughty, little minx referred to her private dancing area as her "torture chamber." Oh, June...torture me! Please!

june
summers

Four years later, our beguiling Ms. Summers became a Feature Entertainer and took to the road, driving all over America and Canada...and getting horny men even hornier all along the way! In 2006, the male population of the world was blessed by June's entrance into the world

of porn. And, she's been getting the camera lenses all steamed-up ever since: appearing in over forty-seven adult films! Among others, June adores porn-fuck-action with Herschel Savage, Nat Turner, Kriss, Michaela, Paula Hooker, Mark Anthony, and Boz.

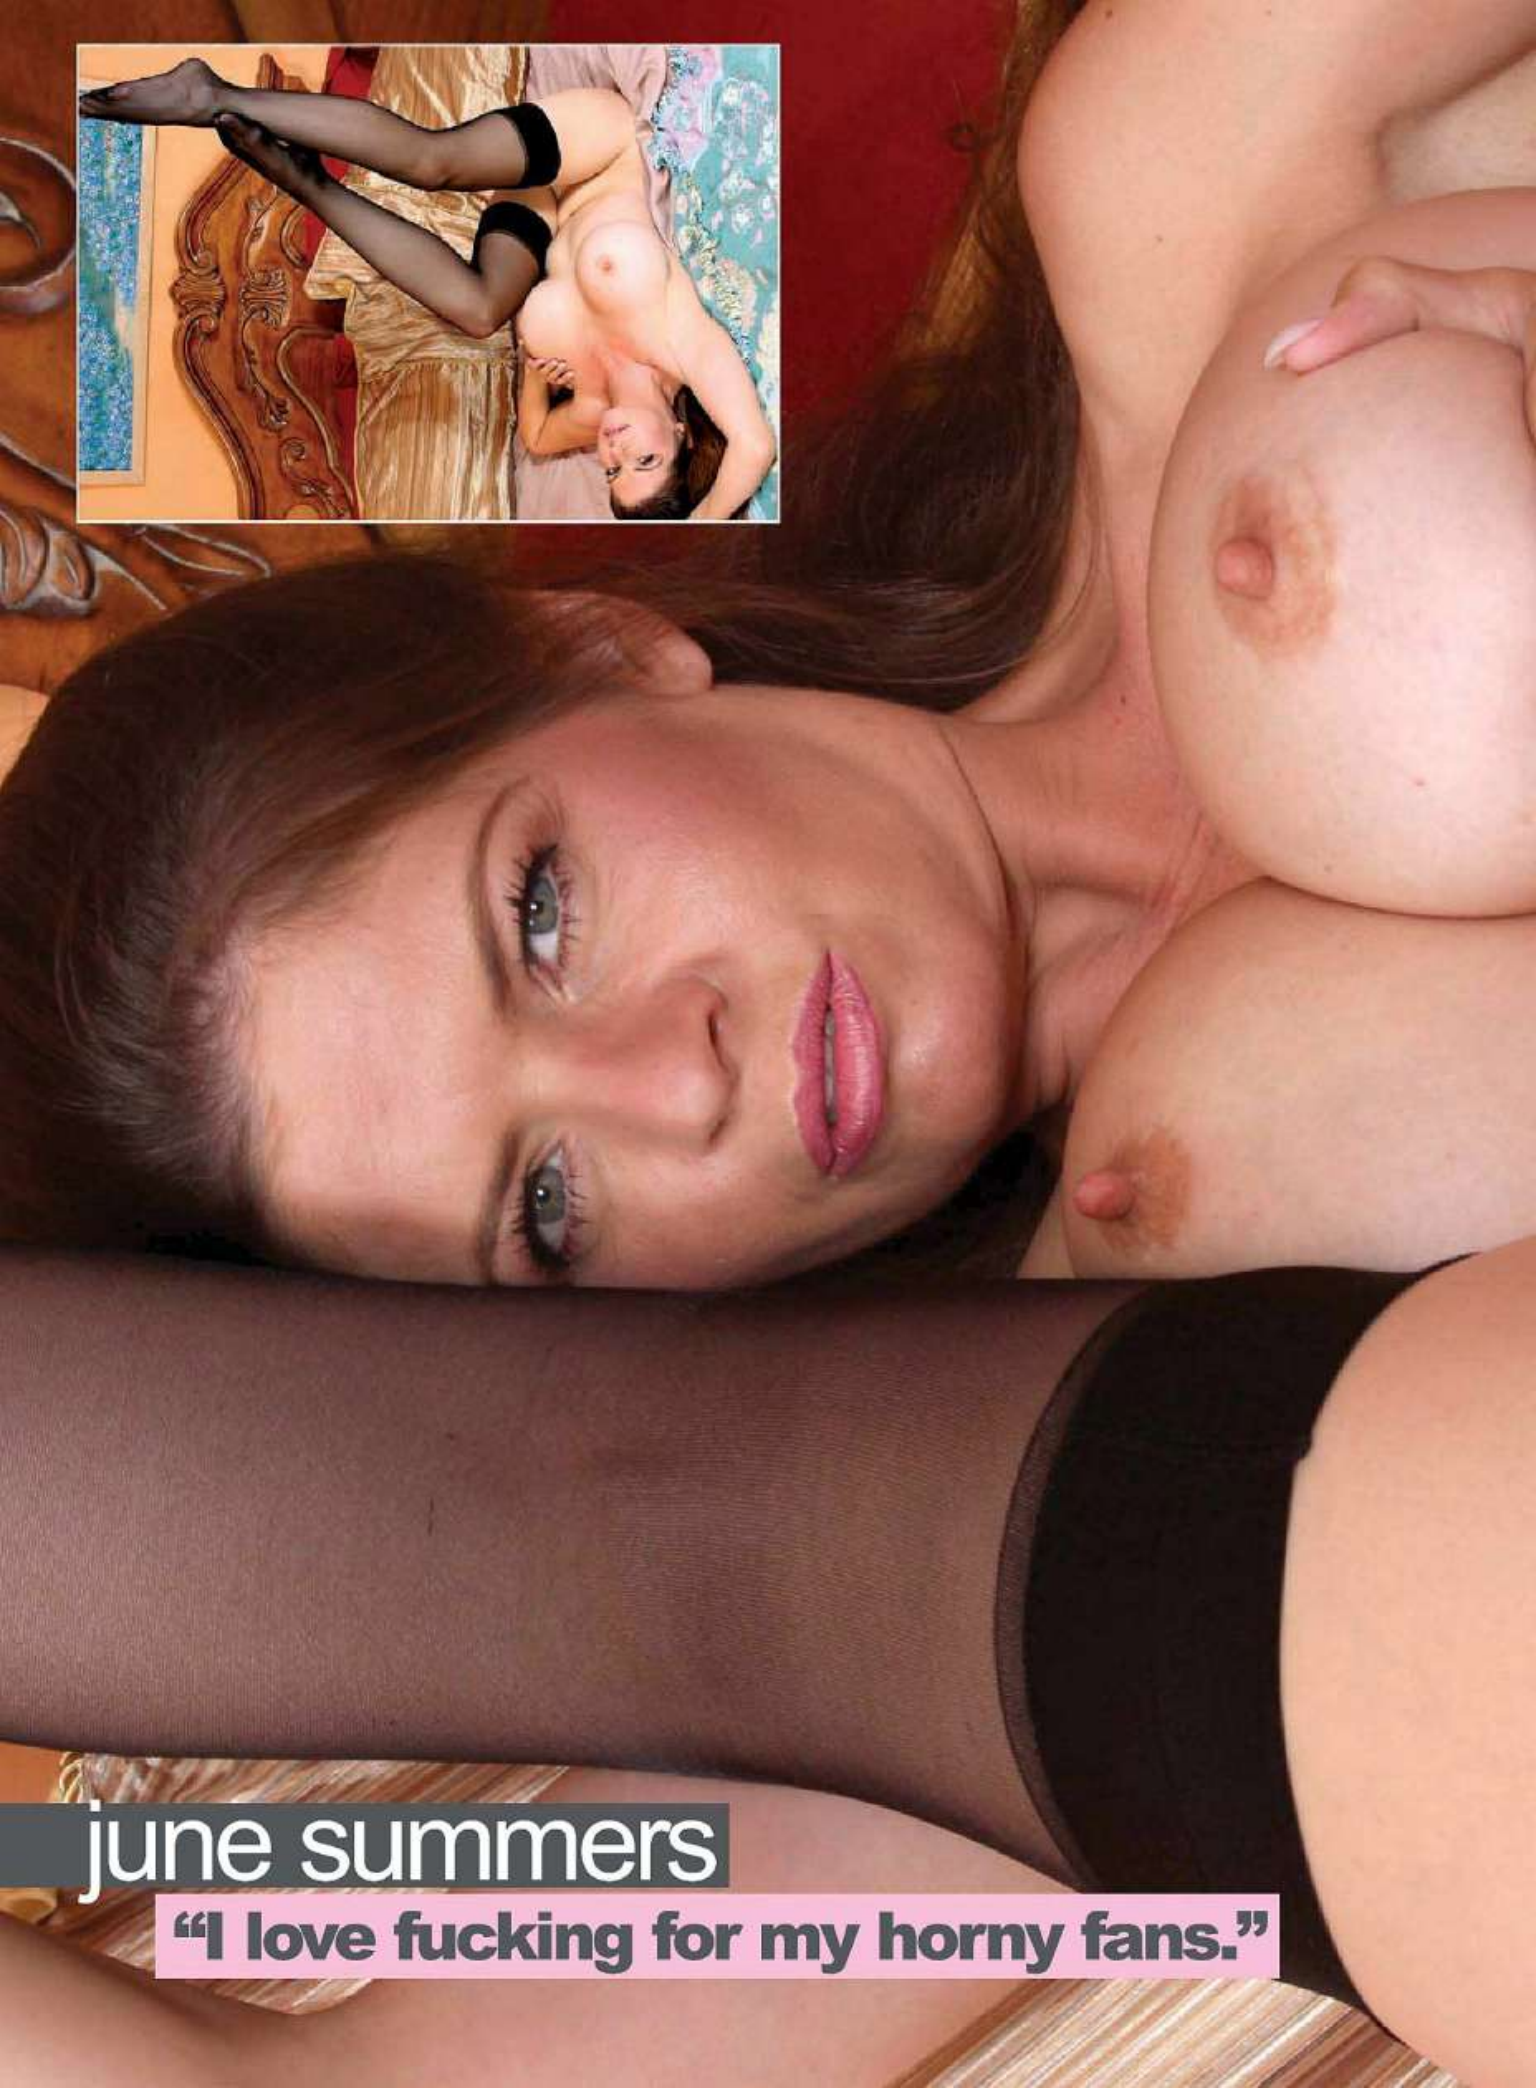

As if June weren't already perfect enough, she's also a bisexual! You should hear the poetic way June philosophizes about the marvels of the female pussy. June says, "The sweet smell of pussy right before you taste it....mmmmm." Oh, June we know! We have the same thoughts and sensations when dreaming about sliding our tongues across the marvelousness of your Milf love hole!

shayne roberts: **WE WANT YOU**

Oh, seriously...this issue of 40+ is...plain-and-simple...causing my trouser snake to overload with excitement. If we didn't already get overwhelmed by enough Milf knockouts, we finish up with the ridiculously-raunchy, Milf-beauty-powerhouse Shayne Roberts. Shayne...I look at your pictures, and I don't want to type. I want to get my hands all over you. I want to press my pathetic lips against the divine fullness of your lips, so I can transmit my inspired-passion straight to your soul...and, your juicy cunt! I want to kiss your eyelids and trace circles across your big nipples with my tongue. I want to suck your pussy through your panties and waltz my tongue across your clit.

I've been the biggest
Shayne Roberts fan
since *Hogtied* and
Gagged 2.

Shayne brought a unique emotionality

to the bondage genre
that didn't go unno-
ticed by the men out
there. I live to see
Shayne perform in
the "naughty wife"
porn video roles.

When I expressed my
enthusiasm to
Shayne, she was so
humble and apprecia-
tive. "I love making
men happy," she told
me. Shayne, you're
more fun than a day
at the ballpark! We
are your devoted min-
ions, and we await
your new work with
an inevitable impa-
tience. Please keep
us up-to-date on your

please continue to

juana: **milf of the** **mountains**

This issue we're thrilled to have our very own mountain Milf: Juana. Now, I don't know about you gentlemen, but if I were ever on one of my hikes, and I looked up to see Milfy Juana standing on the rocks in just her tight, white panties...well, let's just say I'd sprout an additional walking stick...on the spot!

juana

Juana's one of these Milfs who's supremely confident with her sexuality.

You can see this symbolically through the bold, tribal tattoo blazoned across her tummy: just above the glory of her pubic mound. In addition, you ever notice how the sexiest Milfs out there always seem to don the skimpiest panties?

I asked Juana about what her perfect outing would be like. She said that it would involve a long, solo hike (in just her panties, of course) to the top of a challenging mountain. When she reached the summit, there would be about ten, hot studs and a big, flat rock. In Juana's fantasy, the men would lift her to the rock and set her on her hands-and-knees. The gang would then proceed to take turns fucking Juana like a dog until the sun went down: at which point, of course, Juana would begin howling at the moon as the men pulverized her Milf pussy. All I can say Juana is that I think there are a lot of 40+ readers who are going to be at the hiking store tomorrow stocking-up on rock-climbing supplies.

juana

➔ Hi guys, I'm here to tell you something about myself. I'm Aphro Dietie and the editors have given me this forum to share my constant horniness with you, and you can share your cum with me.

It all started when I wrote to the editors of this magazine about one of the models I saw. Her name was Jaleasa and she was in issue 17, in a pictorial layout that started on page 4 and ended in my imagination. She was in a sex scene with another girl, but I was so totally fixated on Jaleasa that I didn't even get the other girl's name. Not that she wasn't attractive or sexy. I would do her too, in an instant, but Jaleasa was the one that really got me wet and I have to acknowledge that.

I wrote that I wanted to be introduced to her and see what would happen from there. I mentioned that I had dabbled with girl-love but it's been a couple years with boys until I saw that pictorial. I told them I don't look at adult magazines but I was over at my boyfriend Dwayne's house one night and found that issue in his desk drawer. We got into a huge argument (guys can be so insecure sometimes) about sex books and I ended up storming out of his apartment at 1:30 in the morning with my toothbrush - and his magazine. When I got home, I was about to rip it up and throw it out but I couldn't do it. Rip it up, that is. So rather than try to tear the whole issue at once, I grabbed a few pages and started ripping. I did a few pages and noticed that I had torn a page with this gorgeous girl on it - so I had to stop and look at her. Her breasts were not quite perfect, but her nipples were. They were erect and wet from being kissed. They were dark and round and calling my lips.

Since it was late and I was tired from arguing, I threw the magazine into my bathroom trash can and went to bed. Okay, so I couldn't sleep. I was thinking of that chocolate goddess. As I lay in bed, I slipped a hand down to my soon-to-be-wet pussy and started gently caressing it. I thought I would just do me a quickie so I could get to sleep. But the more I touched and rubbed, the hotter I got. I knew it wasn't going to be a few quick strokes, a mild O, and roll over. No, I found myself thinking about Jaleasa and rubbing harder and harder. I slipped a finger in my pussy, and then two and three; pushing them in hard. I usually don't put my fingers inside me, but I couldn't stop myself. After about ten minutes and getting even hornier, I forced myself out of bed and went to the bathroom to get that torn page I first saw. I reached into the can and pulled it out, sat pantyless on the toilet seat and

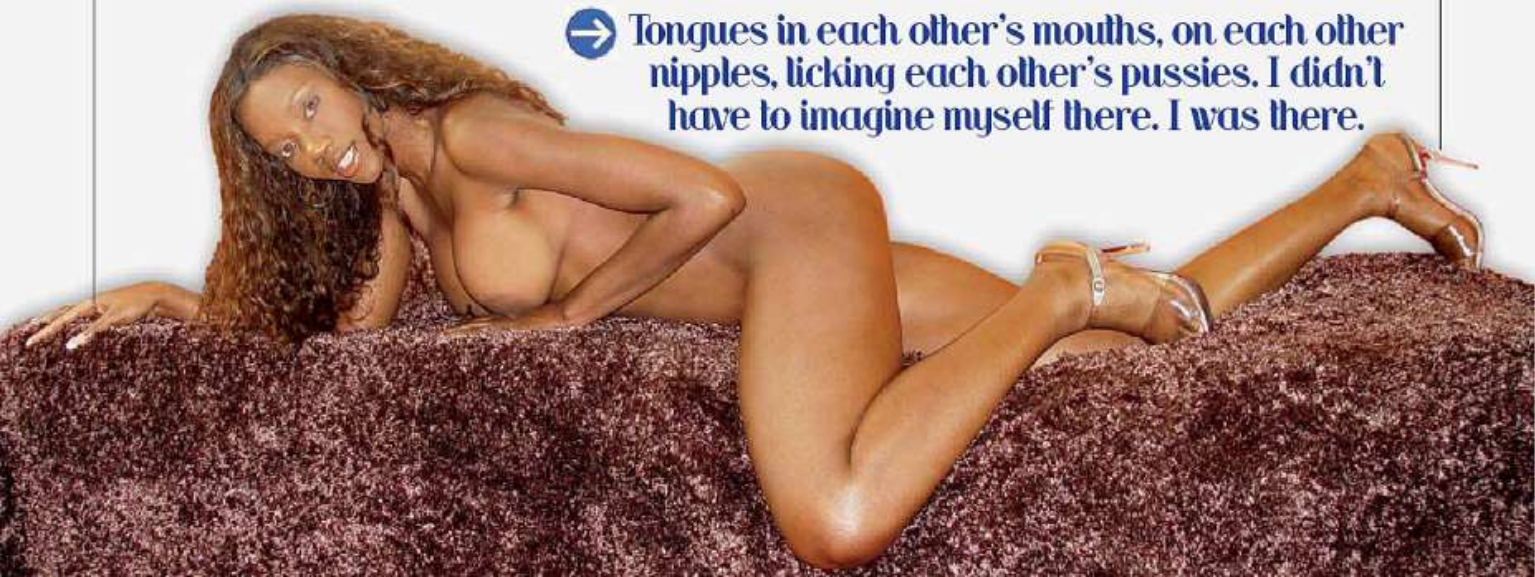

looked at her. My clit was hard, my pussy was wet and my fingers smelled of sex. After staring and fantasizing about her, I reached down for the rest of the magazine. I now was curious how she was with the other girl. I put a couple of the torn pages back together and saw them doing each other. Tongues in each other's mouths, on each other nipples, licking each other's pussies. I didn't have to imagine myself there. I was there. I was the other girl in the pictures. I was the one kissing her lips, sucking her clit, thrusting my fingers into her wetness. I must have come twice just sitting there. I laid the magazine on the sink with her picture on top, went to bed and finally fell asleep.

I woke up in the early afternoon to the phone ringing and Dwayne's indifferent voice telling me what a bitch I was; how it's what men do; how he still wants me (yeah, all he wants is a fuck hole). I listened for a minute, then told him I needed to cool off. I told him I threw the mag away and if he wants to look at that stuff, he should go out and buy himself another one - or two.

Well, enough of that. I told the editors that I would really like to meet Jaleasa (but meant wanting to have sex) if they would just get in touch with her for me. That I wasn't a weirdo or anything like that. That my name and address were real. That my feelings for her were real. But really, I didn't expect to ever hear from the them, but two months after I sent the letter, I received one back saying they got my letter and would forward it for me. That was it. A quick note, and a whole lot of uncomfortable excitement. A couple days later I wrote a note back to express my thanks and, admittedly, a bit of nervousness if she were to ever respond to me. I explained what I just told you about my boyfriend and that nite with Jaleasa's picture in my bathroom - and that my interest in loving girls has been rekindled. There must have been someone on the staff that got a stiffie with that thought. I received another letter a week later asking me that if she did get in touch with me and we hooked up, if I could write about it in all the hot and glorious detail. I got so excited I immediately said yes.

➔ Dear reader, I guess you have probably figured out that since I'm here writing to you now, that my letter got answered by Jaleasa. You'll have to stay tuned to find out because, for all you know, I could have just gone to the editor's office and given him a hummer for this blog spot; and I'll end up writing about my grandmother and her wonderful cookie recipes. "Hey grandma, is it one tablespoon or one teaspoon of sugar?"

➔ Tongues in each other's mouths, on each other nipples, licking each other's pussies. I didn't have to imagine myself there. I was there.

"After my divorce people kept setting me up with 'nice guys.' I tried to tell them I wasn't looking for a relationship, but they didn't listen. Finally I just told everybody: I'm not looking for another husband, I'm looking to hook up and get laid! When I met Jorg it was

lust at first sight. He didn't try to romance me, he just looked me in the eyes and made his pitch: 'I love your big butt, I love your sweet tits, and I want to fuck you so bad I can't stand it!' After that Jorg didn't say much. But he didn't have to, because we were too busy fucking!"

truly torrid

"I was married once, but it only lasted a little while — we basically went on our honeymoon and then right to a lawyer. It was a mistake, what can I say? My ex was a great guy, but he was only one guy. After I said 'I do,' I realized I should have said, 'I do...need to have sex with lots of different guys!' I'm just not the monogamous type, I guess. I love to date a lot, I like to have little flings. Some guys I see on a semi-regular basis, but when I get bored I cross them off my list and move on to the next one. I just need a lot of variety and a lot of sex. It's got to be hot, it's got to be passionate, and it's got to be intense. The minute it stops being any of those things I start looking for somebody new. And, trust me, I never have to look for long!"

trisha

"Sex should be fun.
If a guy isn't fun to fuck
he'll never fuck me more
than once-life's too short
for boring sex!"

We have some satisfied readers, and some not so much, but all are welcome to let us know what they think!

LIKE WHAT YOU SEE?

The other day I was thinking about this chick I saw in your latest issue (Black Booty #16) and I had to sit and write this down, If I send it or not, I'll decide after I finish it. Raven has to be the baddest sistah I've seen in a while - except for Halle Berry that is. Her creamy chocolate skin got my mouth to watering and my dick to hardening. Her boobs are near perfect - I like em a bit bigger myself, but those would do. I'm sure I probably would never meet her or have a chance to fuck her, but, man, if I did she wouldn't want anyone else. First I'd take her clothes off to find she don't wear underwear. She knows I'm a man that wants to get right to it. Forget the kiss, I go right for the pussy. My mouth would suck it all in, Her wet juices getting all over my stache. I'd lick her, suck her clit and make her cum Don't need no fingers to do the job, my tongue can handle it. After she cum on me, then I kiss her mouth and make her suck her sweet juices from my stache. That way she

can taste what I was tasting. I'm done, man and I'm sending you this letter.

— Chris S. Los Angeles

WELL, IT'S NOT BUBBLEGUM

Before I tell you why I'm writing, I just want to tell you that your filthy mag is great. It's got a little bit of everything but I'm into the black chicks. Especially, I like the pink inside their pussies. It's like licking a chocolate bar to discover a pink cherry inside. My girlfriends is so bright that it almost glows in the dark.

— Morris, Chicago

INVEST IN TISSUE, DUDE!

Dudes, with the economy the way it is, I took advantage of the free DVD you offer in the back. It's been two weeks since I got it and I still haven't played it all the way through. And I've used up almost a whole box of tissue. Sorry - gotta go pull out one more sheet.

— Barry, St. Paul, MN

Dude, we know there is some heat on that DVD, but to go through a whole box! Perhaps you can help yourself by investing in the company making that tissue. You may need a whole lot more boxes. That way you solve two problems at once.

— Ed

CONFIDENCE SHAKEN

My girlfriend accuses me of being a player and I need another opinion. When we go out, it's the shorties that wanna get with me. I'm focused on my chick but she only sees them others. I'm not that good looking but I'm confident. No problem talking to anyone and that's what gets me in trouble. Oh, she's happy in the bedroom cause I'm big an she like

that. She need two hands to get round my dick. But when we ain't fucking and the focus ain't on her she's all over me. How do I tell her to be cool and only needs to fuck with my dick and not with my mind?

— Roberto, Pittsburgh

THIS IS WHERE YOU GET IT

Can you tell me how to get some of your back issues? I picked up an issue at a newsstand and really dug it. I'd like to get the last three or four, especially if they are anything like the one I just bought.

— Ahmed B., Newark

Ahmed, you can write to us at the address below and we'll get you the stuff.

— Ed

PAIN IN THE BUTT

Believe it or not, I'm a woman writing to your magazine. I'm

much sometimes. When I give it up to him, he has to really grease it up; start with a finger or dildo before I let him put his cock in my asshole. He's a booty lover so it's hard to say no. He loves my booty and I love to let him have it. But it still hurts, dammit.

— Cassandra, Buffalo

PLAYES GOT PLAYED

My business is women. I have a few honeys that I keep. Keep them happy that is. At least I thought so until I was hanging with my homies and saw your mag at his crib. I thumbed through it and there was Jasmine doing another dude in pictures. Man did that fry me and I threw my beer across the room. After that I cooled down and erased the sight of her mouth around some guy's dick. Now I hadn't

not going to bitch and I'm not going to complain about the photographs. What I want to say to you, and to your readers, is that getting fucked in the ass really hurts. I don't know how the girls in the pictures can have a dick up there and keep smiling. A finger I can take and even a thin dildo, but a cock is too much. I've done it a few times and I do it for my boyfriend, but to go through the pain can be too

seen her for couple weeks so I called her cell and she answered. I started off on her and she didn't say a thing. For ten minutes I laid into her and she just listened. After I was done and asked her what she had to say, she just said it was her twin. That floored me. She had a twin sister and kept it from me? Yea, she said. She didn't want her sister around the likes of me.

Born and raised in Hungary, and made internationally famous in over 150 hardcore videos, this 35-year-old is mature heat on the hoof!

zora banx

"I got into adult for sex first, money second."

That's not true for a lot of the girls, you know, they're after the money more than anything else. But not me. Working in videos was a way for me to experience new things and have sex with beautiful girls and the hottest studs in the world. If I have a reputation it's probably for oral — I love to suck a cock until it explodes on my face and in my mouth! But I'm also known for my anals and double-penetration, those are sort of my specialties, my favorites. For me there's nothing that can compare, nothing! When I have a big cock fucking my ass and another one in my pussy I just lose my mind! One thing I've learned is that when you have a reputation as a sperm-loving cocksucker who adores to be double-penetrated by the biggest studs in video, it makes it a lot easier to hook up in my private life!"

an age when some
women get out of the
industry, but I'll never
retire, I couldn't live
without all the pussy,
cock and cum!"

"I definitely enjoy meeting my fans.
These men basically beg to have sex with me.
I can't suck and fuck them all, but I do pick and choose a few to play with!"
